

PRIOR TO YOUR APPOINTMENT

Please familiarise yourself with our Covid Guidelines prior to your appointment. These are important to allow us to operate and welcome you in safely. (As of the 19th July 2021)

LENGTH OF APPOINTMENT

Each gown appointment lasts up to 1 hr and 30 mins. This will allow you to relax and enjoy your special moment without feeling rushed, just as it should be!

GUEST ALLOWANCE

You are welcome to bring a maximum of three guests with you to your appointment. This number reflects the size of our boutique.

HAND SANITISER STATIONS

Please ensure our hand sanitiser stations are used on arrival, during your appointment and when leaving the boutique.

FACE COVERINGS

We appreciate this is optional, however we will continue to wear face mask/visors when social distancing cannot be maintained. As a small independent business, we would be forced to close temporarily, should our small team be subject to isolation or illness from Covid. We would be ever so grateful if you could bring a mask with you to reduce the spread of the virus.

COVID SYMPTOM CHECK

Please do not attend your appointment if you are showing any symptoms or have been in contact with someone who has tested positive for Covid. These include, a high temperature, a new continuous cough, a loss or change to your sense of taste or smell. Please ensure you have been symptom free for the last 10 days.

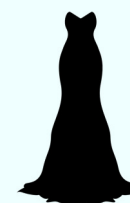

CANCELLATIONS

Please contact us should you need to cancel or rearrange your appointment. This will allow us to allocate vacant slots to waiting customers.

GOWN HANDLING

We kindly request that you allow us to assist with the handling of the gowns. Your wishes will be listened to and we will work together to advise you on your chosen styles.

TRYING ON

When trying on gowns, please treat each gown as if it were your own. We will be on hand to assist you in the fitting room.
